

THINK ENERGY, LLC MASSACHUSETTS RESIDENTIAL AND SMALL COMMERCIAL TERMS OF SERVICE

This is an agreement for electric supply service between Think Energy, LLC (“Think” or “Think Energy” or “Company” or “we” or “us”) and you (“Customer” or “you” or “your”) (Think and Customer together, the “Parties”), for the service address(es) set forth in your welcome letter. These Terms of Service (“TOS”), together with your Contract Summary, your voice-recorded verification of authorization or electronic enrollment, as applicable, your welcome letter, and any other enrollment materials (collectively, “Enrollment Documentation”), collectively describe your agreement with respect to your purchase of electric supply service from Think (“Agreement”) and constitute your contract with Think. **PLEASE READ THESE TOS CAREFULLY.**

Purchase of Electric Supply Service:

Think is licensed by the Massachusetts Department of Public Utilities (“DPU”) to offer and supply electric generation services in Massachusetts (DPU License Number: CS-87). As a competitive supplier of retail electricity supply, Think will supply the electric generation to your local Electric Distribution Utility Company (“EDC”), based on your usage. Your EDC will then deliver the electricity to you.

Right of Rescission – You have a right to rescind your enrollment within three (3) days, without charge or penalty, after receiving your welcome letter that includes these TOS by contacting Think at 1-888-923-3633.

Rate. You agree to pay Think the fixed amount per kilowatt hour, as specified in your Contract Summary or your renewal notice (the “Rate”) for the electric generation service or product that Think provides to you, including, if applicable, its purchase of RECs (collectively, “Service(s)”). The Rate does not include delivery service charges or any other EDC charges associated with providing your electricity service; therefore, the Rate is not the total price per kWh that you will be required to pay for electric service. Your Rate will not change during the Term of this Agreement and will not vary based on your usage. The Service(s) you buy from Think will be included on the monthly bill that you receive from the EDC. The EDC will continue to read your meter, bill for delivery services, as well as various other charges, and respond to emergencies.

Taxes/Fees. You will be responsible for any and all taxes, which may include, but shall not be limited to, gross receipts taxes and sales or use taxes imposed on Think and/or you by federal, state, and/or local

authorities, that apply to your electricity supply and for all fees, assessments, and government charges related to the Service(s). These taxes and fees will be included in the Rate and/or as a separate line item on your bill. You are responsible for paying any new or increased taxes imposed on us or you related to the Service(s) during the Initial Term or any Renewal Term of this Agreement.

Change in Law or Regulation. In the event that there is a change (including a change in interpretation) in any law, regulation, rule, ordinance, order, directive, filed tariff, decision, writ, judgment, or decree by a governmental authority, regulatory body, or the regional Independent System Operator, or in the event any of the foregoing which is existing as of the date of this Agreement is implemented or differently administered, including, without limitation, changes in tariffs, protocols, market rules, load profiles, capacity tags, demand measures, and such change results in Think incurring additional costs and expenses in providing the Service(s) contemplated herein, these additional costs and expenses may, at Think’s option, be assessed to you in your monthly bills for service as additional pass-through charges to the extent permitted by applicable law. If there is a change as described in this section that impacts any term, condition, or provision of this Agreement, including, but not limited to price, we shall have the right to modify this Agreement to reflect such change. Think will provide you with 10 days’ advance notice of any such change.

Term. This Agreement will become effective, and your Service(s) will commence, with the first meter reading after (i) acceptance of the enrollment request by Think (at its discretion and consistent with the terms of this Agreement), (ii) the processing of the enrollment by your EDC, and (iii) the end of any applicable rescission period. The initial term of this Agreement (the “Initial Term”) is reflected on your Contract Summary. Service(s) will continue until the meter read date of the final month of the Initial Term, unless renewed. If you are on a Renewal Plan (defined below), your renewal term will take effect on the first meter read date following the date your new renewal is processed by Think or at the end of your current term, whichever is later, and will continue until the meter read date of the final month of the renewal term (“Renewal Term”).

Renewal Notice and Notification of Changes. When the Initial Term or any Renewal Term of this Agreement is approaching expiration, we will send you advance written notice between 30 and 60 days before

the expiration date via email or U.S. mail. The notice will explain your renewal options, which may be under the same or different terms and conditions (“Renewal Plan”). If you fail to take action before completion of the Initial Term or any Renewal Term, Think will either, as described in the Contract Summary, switch your account to EDC default service or continue serving you on a month-to-month basis based on monthly meter read cycles (referred to as “Rollover Term”) with no change to these TOS, *except* the Rate will be a monthly variable rate set by Think that reflects, among other things, the market rate of electricity supply, Think’s costs and margin, taxes and Independent System Operator charges. If you instead choose to cancel this Agreement at the end of the Initial Term or any Renewal Term, you understand that you are responsible for arranging to receive electric generation service from another entity either by selecting a new supplier or returning to the EDC’s default electricity supply service.

Cancellation/Termination. You may terminate this Agreement for any reason at any time, with no fee or penalty, by providing written notice to Think via email or U.S. mail, or by contacting us at 1-888-923-3633.

Think may also terminate this Agreement for any reason upon 30 days prior written notice via U.S. mail, without penalty to you or Think.

Upon any termination of the Agreement, unless you have selected another competitive supplier, you will return to the electricity supply service offered from your EDC.

Billing and Payment. You will receive a single bill for the Service supplied by Think and electricity delivery from your EDC at the monthly interval determined by the EDC. Your EDC may in some cases use estimated data for billing purposes. Payment is due according to your EDC’s billing due date. Your EDC may offer budget, levelized, or other payment plans. Your EDC may also offer low-income discount rates to eligible customers. Think will not contact a credit agency and does not require a security deposit. Bills not paid in full by the due date may incur a late payment fee on unpaid balances in accordance with the EDC’s billing and late payment policies and procedures. In addition, you agree to pay us our costs incurred in collecting amounts owed us, including reasonable attorney fees and returned check charges. Think reserves the right to change billing methods and will provide you with 10 days’ advance notice if it should choose to do so.

Renewable Energy Plan. If you select a “Renewable” or “Green” Product Plan pursuant to this Agreement, as reflected in your Contract Summary, you are agreeing to purchase from Think a product supported by 100%

renewable energy credits (“RECs”). If you enroll in such a plan, Think will purchase and retire RECs in an amount equal to your consumption during the Initial Term or any Renewal Term, which may be procured from national sources as allowed by applicable law. The electricity actually delivered to your service location will not come from a specific renewable electric generation facility.

Service Outage or Emergency. FOR SERVICE PROBLEMS OR IN THE EVENT OF AN EMERGENCY, YOU SHOULD IMMEDIATELY CALL YOUR LOCAL EDC:

Eversource – Eastern Massachusetts: (800) 592-2000

Eversource – Western Massachusetts: (877) 659-6326

National Grid: (800) 465-1212;

Unitil: (888) 301-7700

Changes to Agreement. Think may change, modify, or amend this Agreement (including the TOS) by providing you with notice. Think will notify you at least 10 days before any change takes effect. If you do not cancel your Agreement before the effective date of the change stated in the notice, the change will become effective and deemed accepted by you on the date stated in your notice.

Cash Back. If, as determined at the end of the Term, the total amount you paid to Think over the entire Term is greater than the total amount you would have paid to your EDC if you were on that EDC’s default service for the entire Term, you may be entitled to Cash Back (“Cash Back”). The Cash Back calculation will be the difference between the total amount you paid to Think over the entire Term and the total amount you would have paid to your EDC were you on that EDC’s default service, up to a maximum of \$25 per year of the Term. In order to be eligible for Cash Back, you must complete the entire Term without interruption and contact Think, in writing, within ninety (90) days after the completion of the Term, at P. O. Box 1288, Greens Farms, Connecticut 06838; or by sending an email to: care@thinkenergy.com. All Cash Back payments may be made on or after the last date of your Term. Cash Back applies only to the Initial Term and not any Renewal Plans, Renewal Terms, or Rollover Terms.

By choosing to enroll with Think and accept this Agreement, you authorize Think to obtain information from the EDC, including, but not limited to, account name, account number, billing address, service address, telephone number, default service type, historical and future electric usage, rate classification, meter readings, characteristics of

Severability. Should any provision of this Agreement for any reason be declared invalid or unenforceable by final and applicable order by a court, arbitrator, or any regulatory body having jurisdiction, such decisions shall not affect the validity of the remaining portions, and the remaining portions shall remain in effect as if this Agreement had been agreed to without the invalid portion.
